ABOUT ME

I love working in groups or alone, and thrive on building relationships and advocate for strong partnerships. I am success-driven and seeking positions to enhance my skills and grow within the IT/CS field. Other interests include video/photography, traveling, golf, and pickleball.

EDUCATION

James Madison University   **2022 — 2027**

Bachelor's, Information Technology with a minor in Computer Science
- CGPA: 3.3

EXPERIENCE

Cook, Cinema Cafe   **2023 — 2024**

- My role requires cooking in a full-sized kitchen, working closely with my coworkers, unloading truck deliveries, and staying up-to-date with health & safety standards in a fast paced environment.
- 30-50 hours per week during the summer and winter seasons.

Cook, Taco Bell   **Summer 2021**

- Cooking in a fast-paced envrionment and working closely with other coworkers on the line. I also helped cook and prep food, bag orders, and take orders as a cashier.

PROJECTS

Homework Tracker, Google Sheets   **September 2021**

- Using conditional formatting and Apps Script functions, I designed a homework and to-do list tracker that dynamically changes based on one's workload and preferences.
- I also constructed graphs and statistics that change based on given inputs.

SKILLS

- Code: Python, Java, Linux Command Line, and LaTeX.
- Tools: Shell, VMWare, VSCode, Ecliplse, Thonny, BlueJ, and Overleaf.
- Other: Adobe Photoshop and Davinci Resolve (video-editing software).

RELEVANT COURSEWORK

Advanced Programming, Discrete Structures I, Computation Structures & Logic, Information Security & Privacy, Database Administration, Introduction to Telecommunications and Computer Networking, Digital Electronics, and Elementary Statistics.

CERTIFICATIONS

CompTIA A+   **Feb 2025**

ServSafe Certified   **May 2019**

HOBBIES/EXTRACURRICULARS

Madison Motorsports Club   **August 2022 — 2024**

TikTok & Youtube content using skills in PS and DR.   **2020 — 2022**
